1.17-oz. Chocolate Rainbow Sparkles Bars

1.17-oz. Chocolate Chip Bars

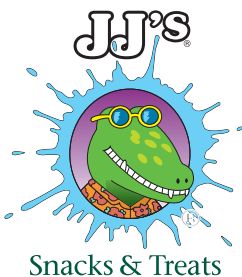

1.17-oz. Original Flavor Bars

First introduced to the market more than 20 years ago, our original JJ's Marshmallow Crispy's is now joined by two new flavors, chocolate chip and chocolate rainbow sparkles.

Compare the taste of our Marshmallow Crispy's to the national brand and compare your profit margins. You will see why our original crispy rice treats and their great new flavors are your top choice.

All three flavors are packaged in 12-count retail display boxes with a clear, protective wrapping. Each 1.17-ounce bar is individually wrapped for freshness in clear film for your customers to see the product.

The original flavor is also available in Gluten-Free bars. (The 2.1-oz. size equals one bread.) Contact us for details.
